WATER DISTRICT 13A ***MINUTES*** ANNUAL MEETING
MARCH 3, 2014 PRESTON IDAHO

PRESENT: Kent Egley, Kirk Iverson, Tracy Bodily, Seth Wheatley, Lyle Porter, Eldean Holliday, Brian Jensen, Lyla Dettmer, Lee Hendrickson, Gilbert Hull, Eldon Golightly, Regan Wheeler, Maxine Waddoups and Cooper Fritz from the Department of Water Resources.

Brian Jensen chairman for 2013 introduced the meeting and Maxine Waddoups read the minutes from the March 4, 2013 meeting. Motion was made 2nd and passed to accept the minutes as read; the motion was 2nd and passed.

Lyla Dettmer gave the financial statement. The financial statement was discussed and Lyla gave a list of the delinquent assessments and that a list of the delinquents is given to the watermaster. A motion was made 2nd and passed to accept the Financial Statement as presented by Lyla.

There was a discussion of who is responsible to change ownership of water rights, etc. The responsibility of the water district is just to bill and collect money and try to get correct address for old owners to new owners. It is not the water districts obligation to change the water rights, it is the owners of the water right to get it correct with the State Department of Water Resources. The water district is just to keep track of the water and not deliver water to the owners of the water right that are delinquent.

A motion was made 2nd and passed that the Watermaster's job is not to deliver water to anyone with a delinquent assessment.

Chairman was nominated as Tracy Bodily, the motion was made 2nd and passed.

Maxine Waddoups was nominated as Secretary; the motion was made 2nd and passed.

Credentials Committee was appointed as Lyle Porter, and Seth Wheatley.

Discussed compensation for watermaster. The salary has not been changed for a few years. Discussed raising Watermaster wages. Motion was made to raise the watermaster wage to \$38.00 a trip for 145 trips and the mileage to \$28.00 a trip for 145 trips. The motion was 2nd and passed. A motion was also made to increase the assistant watermaster's wage to \$550.00. The motion was 2nd and passed. The proposed total budget for 2014 was set at \$13,471, motion made 2nd and passed.

A resolution was made to bill the assessment April 1, 2014 and due May1, 2014 and no water will be delivered until assessment is paid. The resolution was made 2nd and passed.

The election of watermaster was held, it was nominated that Kirk Iverson be Watermaster of Water District 13A and Regan Wheeler as assistant watermaster. The motion was 2nd and passed. Watermaster and assistant watermasters duties are to continue on a year round basis, this motion was 2nd and passed.

The advisory committee was selected as Brent Glover, Carl Swainston, and Neal Larsen.

Treasurer was nominated as Lyla Dettmer and that the FCSWD be hired to collect the funds and pay the bills. Motion was made 2nd and passed.

Lyle Porter discussed the measuring devices and the gaging station. Still working on getting this done. We need to get an updated bid and possible get this installed this year. The Franklin County Water and Soil Conservation District did some measurement's last year, but the flows weren't too high last year. The district will take some more readings this year. They still owe us a couple of readings. It was proposed to have the Soil Conservation District keep rating the river this year, just depends on the flows, and just do a few more readings until we can get a data logger installed. There is already \$2,000 in the budget, plus added another \$2,000 this year.

A motion was made to get the data logger installed and the Soil Conservation District do a few more readings, the motion was made 2nd and passed.

Lyle Porter will work with the watermasters on this project (data logger) this year and work on getting the equipment from Campbell Scientific.

Discussed Maple Creek and Franklin City and how they work with this District.

Discussed the 5 year water use and water right could be forfeited if water is not used or paid for 5 years. It was discussed that water users need to pay for their Fair Share to the water district.

Discussed Maple Creek and not to worry about it yet, they basically regulate themselves.

Meeting adjourned at 2:25p.m.

Signed, *Maxine Waddoups*
